Why consider Alpha & Omega Processing?

Alpha & Omega Processing offers Parts Plus members the following benefits:

- **No annual fees**
- **Interchange plus pricing:** Interchange is a set rate that Visa, Mastercard and Discover give to all merchants.
- **No rate increases:** Interchange may fluctuate, but AOP's rates will never increase
- **Net billing:** Sell \$10K, take back \$2K, you are billed on \$8K, not \$10K
- **Special program pricing:**
 - Interchange plus .20% + \$0.15 per transaction
 - \$0.20 batch fee
 - \$10 account online fee
- **No early termination fees:** That's right! Try them with no obligation.
- **Guaranteed Savings:** They will save you money or pay you \$100 just for trying them!

PLUS

- **ACH—draft money to and from a checking account**
- **Check Services:**
 - **Checkmate**—will electronically monitor bad check-writes accounts
 - **CAPS**—verify checks at the point of sale
 - **ECC/Guarantee**—checks are guaranteed
 - **Back Office Conversion BOC**—remote check depositing
- **Gift Cards**—brand your greatest asset: your image
- **Loyalty Cards**—reward customers for how much they spend
